ORDER

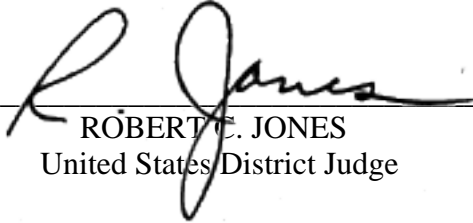

15 This case arises out of a series of disputes between an apartment complex and two of its
16 residents, including a physical altercation leading to the arrest of one of the residents. The Court
17 recently granted a motion for summary judgment. Plaintiffs have filed a motion for the Court to
18 reopen the case, i.e., a motion for reconsideration. The Court noted in the order that Plaintiffs
19 failed to appear at the hearing but granted the motion on the merits after considering all the
20 pleadings. Plaintiffs note that they filed a motion to continue the hearing the day before the
21 hearing, but the Court did not vacate the hearing, which had been scheduled for two months and
22 which required air travel of the undersigned and his staff. Plaintiffs argue that one of the
23 Plaintiffs was ill but do not allege that the other Plaintiff was unable to attend or that the first
24 Plaintiff was unable to attend telephonically. The remainder of the motion consists of recitations
25 and amplifications of allegations made in the Amended Complaint.

CONCLUSION

IT IS HEREBY ORDERED that the Motion to Reopen Case (ECF No. 46) is DENIED.

IT IS SO ORDERED.

Dated: This 24th day of February, 2012.

United States District Judge
